The image shows a web browser window displaying the dashboard of the IAIN Kediri E-Learning system. The browser's address bar shows the URL `elearning.iainkediri.ac.id/my/`. The page header includes the IAIN logo, the text "E-Learning", navigation links for "My Classes" and "English (en)", and a user profile for "Mahasiswa IAIN KEDIRI".

The main content area features a large teal banner with a user profile icon and the text "Mahasiswa IAIN KEDIRI". Below this banner is a "GET STARTED" button. A navigation menu is open on the right side, listing the following options: Dashboard, Profile, Grades, Messages, Preferences, and Log out. An orange callout box with the text "Klik Preferences" points to the "Preferences" option in this menu.

Below the navigation menu, there are four icons representing different dashboard sections: Dashboard, Calendar, Badges, and All Courses. The "Recently accessed courses" section shows "No recent courses" with a corresponding icon. The "Course overview" section includes a dropdown menu set to "All (except hidden)" and two other dropdown menus for "Course name" and "Card".

The browser's taskbar at the bottom shows several open applications, including "Beranda | ILI Express", "Beasiswa Diktis", "Mikrotik.ID : Integra...", "Pretty Good Privacy...", and "Aman Bertukar Dat...". The browser's address bar also shows "Paused" and a "Not secure" warning.
